Mid-South Control Line Announces the Sale of our sister company Mid-South Rental and Completion Services.

FOR IMMEDIATE RELEASE

Houston, Texas– Mid-South Control Line, LLC. Announces the sale of Mid-South Rental and Completion Services, the sale of Mid-South Rental and Completion Services will allow for Mid-South Control Line and Mid-South Rental and Completion Services to better serve the needs of its customers. Mid-South Rental and Completion Services is being acquired by GATE, LLC and will operate under BlueFin a Gate Company. The official acquisition date is January 23, 2017.

By selling the company, it allows Mid-South Control Line to focus on our core customers and product offerings. We are committed to delivering creative solutions for complex well designs, while also being aware of the economic demands in today's market. With an integrated facility, we will build on what we know – listening to our customers and resolving questions with imagination and foresight.

We welcome your questions and can be reached by the above contact details.

Sincerely,

Jessie J. Cochran  
Vice President  
Mid-South Control Line

CC: Rick Lore Sr.
